**ROYAL
AERONAUTICAL
SOCIETY**

Celebrating 20 years of
dedicated careers activities

The event

The Royal Aeronautical Society's Autumn recruitment fair brings together our strong industry partnerships and thriving network of members. The event is ideally suited for promoting career opportunities in aerospace, space, aviation, MRO and air transport operations, including training and courses, apprenticeship routes, graduate employment and direct entry/experienced roles.

Visitors range from students and graduates seeking apprenticeships and graduate employment, to experienced professionals and service leavers looking to make their next career move. Register now and be part of the only UK recruitment event dedicated to the aerospace and aviation community!

The visitors

The event is promoted widely to RAeS members and all our university and college partners to ensure a diverse audience, all sharing a passion for aerospace and aviation. Marketing channels include:

- The RAeS Young Persons Network with over 4,000 young members aged 30 and under
- RAeS academic partners in the UK and overseas, including over 150 accredited university courses
- AEROSPACE members' magazine, reaching over 20,000 individual members of all grades and RAeS Corporate Partners
- RAeS monthly e-newsletter reaching over 45,000 people
- RAeS social media networks including Twitter, Facebook and Linked-In
- The RAeS On-Campus Career & CV Workshops programme
- Our dedicated Careers in Aerospace website

Event format

The event features a 'two-days-in-one' format with two sets of visitors attending through pre-booked morning and afternoon sessions, enabling a smooth and steady visitor flow throughout the day and making best use of the event's venue - the Society's beautiful headquarters building in Mayfair.

Exhibition and profiling opportunities

The event offers four exhibition packages, with stand-only, early-bird rate packages starting at just £760 + VAT for early-bird RAeS Corporate Partners. Our Business Class package offers additional presentation slots and the headline sponsorship Club Class package offers a range of enhanced branding opportunities including special blogs and branded social media postings.
